

# CHARLOTTE-AREA POPULATION MIGRATION SYMPOSIUM

## Who's Moving In? Who's Moving Out?

Calendar Year 2014 saw 15,888 net migrants into Mecklenburg County (74,706 moving in and - maybe surprisingly to some - 58,818 moving out).

What will the Calendar Year 2015 look like?  
Find out at this Symposium!

Come hear the updated statistics about migration flows into and out of Mecklenburg and surrounding counties within the Charlotte region. This program coincides with the release of the Calendar Year 2015 American Community Survey data, including volume of migration by characteristics such as age, location, income, employment and family/household size. Coverage will include the housing choices of migrants and information on comparable urban areas. If you want to learn more about the changing face of population in the Charlotte region, come to this program!

**WHEN:** October 26, 2016  
UNC Charlotte Center City, 320 E. 9th Street, Charlotte  
Lunch, 11:30 a.m.; Program, Noon

**COST:** \$15 Early Bird Registration (register by October 14)
